

BALTIMORE SAILING CLUB

Safety Check for Dinghies on Baltimore Sailing course:

For all Dinghies:

- 7 meter long painter fixed to a strong point
- A Paddle secured to the boat
- Check hull for any signs of damage
- Check all rigging, ropes and fittings for ware
- Check rudder fits the boat and the safety clip works
- Check toes straps for ware

Optimist (as above with):

- 5 litre Bailer secured to the boat
- Mast tied in
- Buoyancy bags all in good order (check inspection hatches if concealed)
- Dagger board secured to boat
- Snap shackle attachment from mainsheet to strop on boom

Mirror (as above with):

- 5 litre bailer
- Bungs for all tanks (useful to carry spare bungs if possible)

Laser, Topaz & Topper (as above with):

- Back Bungs for the hull checked before going on the water
- Dagger board secured to boat
