## 6. LIABILITY & INSURANCE

- (a) A boat is entirely responsible for its own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.
- (b) It is for the boat to decide whether it is fit to sail in the conditions in which it will find itself. By launching or going to sea, the boat confirms that it is fit for those conditions and that its crew is competent to sail and compete in them.
- (c) The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least €2m.
- (d) Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however, it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the Organising Authority, the Race Committee, the Race Officer, Patrol Boats, Sailing Manager and BSC members or volunteers.
- (e) The provision of patrol boats does not relieve the boat of its responsibilities.
- (f) The boat is responsible to ensure that it is equipped and seaworthy so as to be able to face extremes of weather, that there is a crew sufficient in number, experience and fitness to withstand such weather, and that the safety equipment is properly maintained, stowed and in date and that the crew know how to use it.
- (g) The fact that the Race Committee conducts inspections of the boat does not reduce the responsibilities of the boat set out in this paragraph.
